

The Certainty Of Uncertainty

- You are going to live a life uncertain.
- Become a risk taker!
- Deal with it!
- Our frustration level comes from our imagination that is above the knowledge of God.
- It is what it is.
- Mystery is undefinable reality.
- Your belief system can not change you.
- Christianity is supposed to be a hospital, not a court room.
- “Recover” means get back what I had, not get something new.
- What is the message of the Cross?
 - I must go down to go up.
- Until you see God as all and in all, you are still immature.
- You belong to Christ, and Christ belongs to God.
- When God wins, God wins, and nobody loses.
- Heaven is a state of being.
