

Blessed To Be Broken

- Jesus is NOT an American.
- The two curse words of the church; Brokenness and Suffering.
- Are you serving God to have a better life? Or to be apart of the Kingdom?
- No sacrament exists so you can have a better life.
 - They exist so you can glorify the Kingdom.
- Brokenness delivers you from the false self that is in pursuit of individualism.
- You don't get to pick your destiny.
- Is anyone happy?
- Being wild doesn't produce fruit
- What is your wild nature wanting?
- Life was designed for Joy and Peace in the Spirit.
- Are you trying to fit church into your personal agenda?
- To not care is worse than not believing.
