

## Are You Pleasing To God?

- Life is not contained to this world.
- How are we to understand these temptations?
- The wilderness is more about a situation than a place.
- God has already said you are His beloved son.
- You can't disappoint God.
- *"No matter what you do God is going to love you."*
- *"Grace always proceeds temptation."*
- Do you know that you are well pleased with God?
- The temptation confirmed His baptism.
- The temptation can not steal your identity in God.
- His sonship is what overcame His temptations.
- Let God define you, not man!
- You have to diagnose something before you can fix it.
- *There is no salvation without temptation.*
- *Our Father is well pleased in you.*
