

## Dying To Live

- Death is the removal of a form.
- What form do you think you can't live without?
- Why do you want to see Jesus?
- What do you pray for?
- Sometimes we more from Jesus than we want Jesus himself.
- Christianity is not a spectator sport.
- You can not love or forgive unless you are willing to die.
- You have to know His suffering to know His power.
- *"Stare death in the face"*
- Death is the gateway to a new life.
- Stop holding on to a form that has expired.
- Our relationships are eternal.
- The Grace Has No Power!
- Every 'what if' question separates us from God.
- When you fear death you are in survival mode.
- Clean out your closets.
